## STATE NEWS.

The work on the Ilwaco & Shoal-

feet along the line, and the removal  
of 65,000 cubic yards of earth.

The new school house at Roseburg  
has been completed at a cost of about  
\$20,000. It is a two-story building,  
capable of seating 600 pupils, and  
contains side rooms for school  
purposes, two recitation rooms, and  
one large room for special purposes.  
The building is in the form of a  
cross, and has a floor area of school  
rooms of 7,344 square feet.

A few days ago, says the Wasco  
Sun, E. W. Bunker, a workman at  
the company's shops, had the mis-  
fortune to lose the first finger of his  
left hand. He was engaged as a  
helper in the blacksmith shops. In  
some manner the sledge was drop-  
ped on the anvil and bounced up  
again, catching the finger and com-  
pletely tearing it off. A surgeon  
amputated the finger above the first  
joint.

Considerable excitement was wit-  
nessed at the depot at Dallas on  
Thursday, occasioned by the south  
bound train running away. The  
hands were taking their dinner,  
when without any apparent cause  
the train started down the track at  
a considerable speed. The alarm  
was given by those standing by and  
soon the No. 7 (north bound) was  
dispatched after the runaway train  
and a lively race for three miles en-  
sued, and brought back safely to the  
station. No serious damage was  
done.

Monday afternoon a couple of  
tramps broke into the residence of  
Mr. Maxwell, who resides near  
Irving, Lane county, and took  
about \$40 worth of clothing, etc. It  
seems Maxwell and his wife were  
out of the house at the time, but  
nearby, and Mrs. Maxwell found  
them in there and gave the alarm.  
Mr. Maxwell took after them and  
succeeded in capturing one of them  
at the time and he was lodged in  
jail. The other was captured at  
Harrisburg Wednesday and Sheriff  
Sloan went after him Thursday  
morning.

The Verdict Unanimous.

W. D. Sult, Druggist, Bippus,  
Ind., testifies: "I can recommend  
Electric Bitters as the very best  
remedy. Every bottle sold has  
given relief in every case. One man  
took six bottles, and was cured of  
Rheumatism of 10 years' standing."  
Abraham Hare, druggist, Bellville,  
Ohio, affirms: "The best selling  
medicine I have ever handled in my  
20 years' experience, is Electric  
Bitters." Thousands of others have  
added their testimony, so that the  
verdict is unanimous that Electric  
Bitters do cure all diseases of the  
Liver, Kidneys or Blood. Only a  
half dollar a bottle at H. W. Cox's  
drug store.

## MORNING TELEGRAMS.

Lightning Flashes of What the World  
at Large is Doing.

SHOT BY AN OCTOGENARIAN.

An Aged Resident of Rockford Shoots  
a Boy in the Back.

ROCKFORD, Ill., April 8.—This  
evening Leo Hoyt, a small boy,  
while playing in the street with his  
companions, was shot in the back  
by Buel Pickett, about 80 years of  
age. The old man was arraigned  
and bound over to the grand jury.  
He was annoyed by the boys, and  
took this way to frighten them  
away, with the desired effect. He  
gave bail.

A Disastrous Storm.

CHICAGO, April 7.—A dispatch  
from Evansville, Ind., says: A very  
severe rain and wind storm swept  
over Union and Livingston counties,  
Kentucky, this morning. Reports  
of considerable damage are just  
coming in and indicate that the  
country about Uniontown suffered  
much from barns being blown down,  
the large forests being swept away.  
One death is reported, that of an  
unknown man, who was killed by a  
falling tree near Caseyville.

Possibly a Trick.

NEW YORK, April 7.—One of the  
quickest episodes that ever occurred  
in this city was the funeral of Jacob  
Sharp, which occurred at 8:30 this  
evening, at his late residence. The  
utmost secrecy marked the arrange-  
ments, and no one was allowed to  
enter the house, except by invita-  
tions especially sent by the family.  
Even the visitors had evidently  
been instructed not to give any in-  
formation about the affair, and when  
questioned denied that the funeral  
was taking place.

The Strike Was Not General.

CHICAGO, April 7.—There was no  
general strike of yardmasters on the  
"Q" road as reported. Three yard-  
masters at Sixteenth street quit  
work, having become disgusted with  
the men they had to work with in  
the yards.

Letters from Blaine.

AUGUSTA (Me.), April 8.—Letters  
received to-day from Blaine state  
that his family will start for Paris  
in about two weeks, and that after  
spending a short time there will  
make a trip through Norway and  
Sweden. They will arrive in this  
country on the last of June.

Jones for Chairman.

WASHINGTON, April 8.—It is said  
that it is now talked of to make  
Senator Jones of Nevada chairman  
of the republican national committee  
when it meets in Chicago in June.

Conklin is Better.

NEW YORK, April 7.—Roscoe  
Conklin passed a comfortable  
night and is reported very much  
better to-day. His physicians are  
Doctors Barker and Anderson, and  
he is attended by a professional  
nurse.

NEW YORK, April 8.—Roscoe  
Conklin is now convalescent.

A Father Appeals for his Boy.

ST. LOUIS, April 7.—Samuel W.  
Brooks, father of Hugh M. Brooks,  
alias W. H. Maxwell, has written a  
long and touching appeal to the  
American people to help him to  
save his boy from the gallows.

Centennial Celebration.

MARIETTA (Ohio), April 7.—The  
city is celebrating to-day the one  
hundredth anniversary of the land-  
ing of General Rufus Putnam and  
his band here on April 7th, 1788.  
First formal part of the program  
was an address of welcome by  
Governor Foraker who alluded  
warmly to memories they were  
celebrating. Hon. Geo. F. Hoar, U.  
S. senator from Massachusetts, was  
then introduced and delivered the  
oration of the day.

Wm. Brown & Co. are in receipt  
of some very fine spring goods,  
among the newest is a line of mens  
cordovan, button, bale and congress.  
Call in and see them.
